

PRESS NOTE

DETECTION OF FRAUDULENT MOVEMENT OF ARECANUT WITHOUT VALID DOCUMENTS IN A FISH CARRYING CONTAINER

As per the intelligence input from the Joint Commissioner of Commercial Taxes (Enforcement), Mangalore, Assistant Commissioner of Commercial Taxes (Enforcement), Udupi and Static Surveillance Team of MCC stationed at Hejamadi, Udupi District, Karnataka have intercepted a fish carrying container vehicle bearing No. KA 19 AA 1477 on 23.03.2019. The said vehicle was examined by the officers and found that the container was filled with 100 bags of arecanut without any documents instead of fish. This was a fraudulent method used by the Transporter / tax payer in this case for clandestine movement of arecanut outside the state. Further, investigation is going on.

All the taxable persons under GST law and the transporters are hereby informed that strict penal actions will be initiated against those indulging in fraudulent activities of tax evasion. The department will initiate penal provisions to punish the guilty. The CTD is closely watching such movement of goods in the future.
