Sub: Press release regarding roll out of GSK Biometric Centres in Commercial Taxes Department, Bengaluru

GSK (GST Seva Kendra) Biometric Centres came into operations today, on 10th September 2024. Total of 120 GSK Biometric Centres are rolled out across the state of Karnataka by in Department of Commercial Taxes and they have started functioning at respective front-end offices. These Centres are equipped to serve new applicants who apply for GST Registration by opting Biometric Aadhaar Authentication.

There is an online facility to choose the date and time for the appointment for GSK Biometric Centre in advance. These GSK Centres will also provide for the document verification during the process of Biometric Aadhaar Authentication. This stage will enhance the overall security of the GST registration process by curtailing the misuse of documents of innocent persons by fraudsters. This will foster more accountable business environment in the state and helps the genuine registrations.
